U. S. Department of Agriculture

United States Department of Agriculture
Bureau of Biological Survey

REPORTS AND OTHER DATA (INCLUDING BOOKS AND PERIODICALS) FILED IN THE
DIVISIONS AND OFFICES, SHOWING WHERE THEY MAY BE CONSULTED

The following list of reports and other data filed in offices of the Biological Survey has been prepared, with a subject index, for the information of members of the Bureau:

LOCATION AND DESCRIPTION OF DATA

ADMINISTRATION (index designation, A)

1. Partial file of catalogs referred to in General Schedule of Supplies (Chief Clerk)
2. Publications of the Bureau - file and chronological and serial lists (Editor)
3. Monthly reports of Cooperative Quail Investigation (Gen. Files)

BIOLOGICAL INVESTIGATIONS (BI)

1. Field reports by members of division, on physiography, mammals, birds, reptiles, amphibians, and plants. Filed by State, Province, and country and by author
2. Miscellaneous reports. Filed by State, Province, and country and by author
3. Maps, distribution (birds, mammals, reptiles, amphibians)
4. Maps, Geological Survey and many others. Filed geographically
5. Maps, base, for plotting distribution
6. Bird-migration records
7. Bird-banding records
8. Waterfowl-census records
9. Field reports and pamphlets on reindeer investigations
10. Pamphlets on birds, mammals, general zoology, herpetology, parks, museums, expeditions, diseases and parasites of birds and mammals, and conservation. Filed by author and partially indexed by subject

ECONOMIC INVESTIGATIONS (EI)

1. Field reports on control operations by members of division
2. Pamphlets on control of animal pests

FOOD HABITS RESEARCH (FHR)

1. Surveys of lake and marsh areas as feeding places for wild fowl
2. Surveys of various areas from bird-attraction standpoint
3. Inspection of game farms
4. Relation of birds to insect pests
5. Depredations by birds
6. Methods of controlling injurious birds
7. Mortality among game and other birds
8. Catalogs of--
Botanical supplies
Camping equipment
Entomological supplies
Laboratory apparatus
Microscopes and accessories
Nursery plants
Projection apparatus
Sporting goods
Zoological materials
9. Analyses of stomach contents of birds and other animals (100,000 indexed)
10. Pamphlets of a great variety bearing on work of division (indexed)

FUR RESOURCES (Fur)

1. Reports of inspections of fur farms, fur-animal exhibitions, fur dressing and dyeing plants, and on conventions, fur-auction sales, etc.
2. Monthly reports on work of Fur-Animal Experiment Station, Saratoga Springs, N. Y.
3. Quarterly reports on work of Rabbit Experiment Station, Fontana, Calif.
4. Quarterly reports on cooperative studies of fur-animal diseases at Minneapolis, Minn.
5. Quarterly reports of veterinarian on fur animals in Alaska

GAME AND BIRD CONSERVATION (GBC)

1. Reports of State game commissions
2. Hunting licenses issued by States
3. Game, fur, and fish law pamphlets of States and Provinces; migratory-bird treaty legislation and regulations; game decisions and opinions, indexed alphabetically and by subject
4. Reports on importations of birds and mammals, including Mexican quail, with cumulative index
5. Copies of Secretary orders permitting killing of injurious birds
6. Photographs and descriptions of motor boats used by Federal game protectors

GAME AND BIRD CONSERVATION--Cont'd.

7. Docket and list of offenders against Federal game laws
8. Lists of persons holding Federal propagating, banding, and collecting permits
9. Current copies of Congressional Record, with indexes of bills, reports, and remarks
10. Bills and laws affecting work of Bureau or related to it, including reports and hearings and some State legislation
11. Index to State game legislation from Colonial days to 1915
12. Catalogs of marine engines, with descriptions, prices, etc.

Alaska:

13. Stocking with fur and game animals
14. Status and protection of wild life
15. Aleutian Islands sheep raising (to 1928)
16. Reports of Alaska Game Commission

Reservations:

17. Reports, with maps, on national reservations and the wild-life forms thereon
18. Reports, with maps, on areas proposed for reservations
19. Executive orders establishing reservations
20. List of Federal wild-life reservations
21. List of State and Canadian wild-life reservations
22. Reports, National Park Service

PERIODICALS FILED IN BUREAU

American Entomological Society, Trans.
FHR
American Game Protective Association,
bulletin "American Game" [incom-
plete], GBC
Auk, BI
Bird-Lore, BI
British Ornithologists' Club, Bul., BI
Canadian Entomologist, FHR
Cassinia, BI
Condor, BI
Copeia [Journ. of Cold-blooded
Vertebrates], FHR
DuPont Promotion News Bulletin
[incomplete], GBC
Entomological News, FHR

Entomological Society of Washington,
Proceedings, FHR
Essex Ornithological Club, Bul., BI
Journal of Mammalogy, BI
New England Zoological Club, Proceed-
ings, BI
New York Entomological Society,
Journal, FHR
Nidologist [discontinued], BI
Oologist, BI
Ornithologist and Oologist [discon-
tinued], BI
Osprey [discontinued], BI
Pacific Coast Avifauna, BI
Psyche, FHR
Wilson Bulletin, BI

DEPARTMENT LIBRARY BOOKS DEPOSITED IN BUREAU

Atlas (latest ed. Rand-McNally),
A-Editor
Dictionaries (English and foreign
language) and books on grammar,
rhetoric, and technical writing,
A-Editor
Fur-bearing mammals, general works on
propagation, Fur
Manuals, text books, and popular works,
general and specific local lists,
catalogs, and taxonomic studies on
the following subjects are filed as
indicated:
Mollusca, FHR
Insecta, FHR
Crustacea, FHR
Pisces, FHR
Amphibia, BI, FHR
Reptilia, BI, FHR
Aves, BI, FHR
Mammalia, BI, FHR, Fur
Algae, FHR
Spermatophyta, BI, FHR

Miscellaneous works on biology, as
follows in FHR:
Protozoa Annulata
Porifera Chordata
Coelenterata Microscopy
Nematoda Biology, general
Rotifera Nomenclature
Echinodermata
Special collections:
Attracting birds (nesting boxes,
feeding, etc.), FHR
Cage and other birds in captivity, FHR
Economic ornithology (value of birds
to man, and depredations attributable
to birds), FHR
Food of birds (North American and
foreign), FHR
Game birds and their propagation, FHR
Reports of State game commissions, GBC
State, local, and regional lists of
North American birds, BI

SUBJECT INDEX

Alaskan work-- fur, game, and other animals (BI, Fur, GBC); reindeer (BI)	Importation of birds and mammals (GBC)
Amphibians, distribution (BI)	Lake and marsh surveys (FHR)
food (FHR)	Laws, affecting Bureau or Department (GBC)
Birds, attracting (FHR)	State game (GBC)
banding records (BI)	Licenses, statistics on hunting (GBC)
census records (BI)	Mammals, taxonomy and distribution (BI)
control (FHR)	food (FHR)
distribution, migration (BI)	Maps, general collection, distribution, and base (BI)
food (FHR)	Maps of reservations and of areas proposed for reservations (GBC)
refuges (GBC)	Migration records (BI)
taxonomy (BI)	National Park Service reports (GBC)
Boats, Bureau fleet (GBC)	Orders of Secretary about destructive birds (GBC)
Catalogs--	Pamphlets, indexed file relating to work of Division (BI, FHR, GBC)
Botanical supplies (FHR)	Permits, holders of collecting, banding, and propagating (GBC)
Camping equipment (FHR)	Physiography (BI)
Entomological supplies (FHR)	Plants, distribution (BI)
Government supplies as in General Schedule (A, Chief Clerk)	lake and marsh surveys (FHR)
Laboratory apparatus (FHR)	Predatory animals, control (EI)
Marine engines (GBC)	Publications of the Bureau, file and chronological and serial lists (A-Editor)
Microscopes and accessories (FHR)	Quail investigation (A, General Files)
Nursery plants (FHR)	Rabbits, rearing (Fur)
Projection apparatus (FHR)	Reindeer production (BI)
Sporting goods (FHR)	Reptiles, distribution (BI)
Zoological materials (FHR)	food (FHR)
Control of--	Reservations (GBC)
Injurious birds (FHR)	Rodents, noxious, control (EI)
Mammals (EI)	Sheep raising, Aleutian Islands (GBC)
Miscellaneous animals (EI)	State Game Commissions, published reports (GBC)
Congressional Record (GBC)	State game laws (GBC)
Diseases of birds (BI, FHR)	Tularemia (BI)
of fur bearers (Fur)	:
Food analyses of birds, mammals, reptiles, and amphibians (FHR)	
Fur and fur animals, all phases (Fur)	
See also Alaskan work	
Game-bird farming (FHR)
